

*Come see the difference.*

**Competition means better support for doctors & surgeons  
and better care for everyone, regardless of income.**

**W**e serve patients from all walks of life, regardless of their ability to pay. If you or someone you love is contemplating surgery, we invite you to visit our facility first.

We'll be happy to answer all of your questions and show you what a difference choice can make.

**The choice that makes a difference.**
